

its founding, the group has been under continuous Dowd family ownership for four generations, providing counsel and insurance protection for a diverse range of clients.

In 1865, James J. Dowd, an immigrant from County Kerry, Ireland, arrived in Holyoke, Massachusetts with his wife and fourteen children. He began working in a textile mill in hopes of building a better life for himself and his family. A few decades later, one of his sons, who bore his name, went on to found Dowd Insurance—laying the foundation for a family legacy that has spanned multiple generations and continues to flourish today. James J. Dowd, II gave up his career as a professional baseball player and joined the firm in 1916 after his father passed away, and James J. Dowd, Jr. and John E. Dowd entered the family business in 1947 and 1951 respectively after each serving in World War II. The fourth generation of the Dowd family was ushered into the business in 1974 when James J. Dowd, III became a member of the agency. He was then joined by John E. Dowd, Jr., Dowd Insurance's current President and CEO, in 1982. After more than a century of operation marked by profound growth and success, including having joined the International Network of Insurance and opening multiple new branch offices, it is evident that Dowd Insurance has made numerous positive contributions to the community of which it takes pride in being an integral part.

Mr. Speaker, over the course of its history Dowd Insurance has demonstrated exemplary service, leadership, and dedication. Those traits are hallmarks of the agency's long and admirable tradition of service in western Massachusetts, and are certainly worthy of recognition. On the occasion of Dowd Insurance's 120th anniversary, I wish the Dowd family, the agency's partners, and the dedicated men and women who work with them all the best and much continued prosperity.

H.R. 5766—SECURING PUBLIC AREAS OF TRANSPORTATION FACILITIES ACT OF 2018
As reported by the House Committee on Homeland Security on June 22, 2018

SUMMARY
H.R. 5766 would direct the Secretary of Homeland Security to establish a working group to develop, in collaboration with public and private stakeholders, recommendations for enhancing the security of public areas of transportation facilities. The bill also would authorize the secretary to provide technical assistance to owners and operators of surface transportation systems and facilities and specify a variety of administrative and reporting requirements.
Assuming appropriation of the necessary amounts, CBO estimates that implementing H.R. 5766 would cost \$23 million over the 2019–2022 period. Enacting the bill would not affect direct spending or revenues; therefore, pay-as-you-go procedures do not apply.
CBO estimates that enacting H.R. 5766 would not increase net direct spending or on-budget deficits in any of the four consecutive 10-year periods beginning in 2029.
H.R. 5766 contains no intergovernmental or private-sector mandates as defined in the Unfunded Mandates Reform Act (UMRA).
ESTIMATED COST TO THE FEDERAL GOVERNMENT
The estimated budgetary effect of H.R. 5766 is shown in the following table. The costs of the legislation fall within budget function 400 (transportation).
